

Iron & Steel Casting Course

“Practical knowledge to apply in your company”

Calendar

Starting the 28th April 2022 and Ending the 15th July 2022.

This course has been designed so that it can be carried out by the participant, with a wide margin of autonomy in time dedication and schedules. Our platform will be available 24 hours a day, 7 days a week. The forums will be available to comment and expose any aspect that arouses the interest of both the participant and the teacher. There will be at least one evaluation for each Module, and a final evaluation, of which it will be necessary to pass 75% of them to obtain a diploma of achievement. In case not achieved will give the right to a certificate of attendance as long as it has been studied 75% of the content and have attended at least 25% of the scheduled time.
